

Societal Implications of Robotics Symposium (SIROS)

You're invited to attend both keynotes on 5/1 in the Friedman Auditorium of Metcalf Research Lab (188 Thayer):

- 9 AM: **Illah Nourbakhsh**, Carnegie Mellon University: "Robots, Empowerment and Equity"
- 4 PM: **Bill Smart**, Oregon State University: "How the Law Will Think About Robots (and Why You Should Care)"

To inquire about attending individual symposium panels, please e-mail suzanne_alden@brown.edu.
